

FOR CORPORATIONS

At Spark, we strive to make volunteerism, civic engagement, and community service as easy as possible. The more individuals and companies making an impact across the state, the better! That's why we offer a variety of services to corporations interested in making the most of their impact and civic engagement!

Bronze

\$3,000

We realize how important it is to have the right tools and training to get the job done! In turn, we provide a bronze level membership that includes: **Consulting** on employee volunteering and possible projects for employees, **Intro to Board Service Training** for individuals interested in joining a board, and **Promotion** of your company's logo on our website. If you're interested in becoming a Spark Corporate Partner, **contact us** to start your civic engagement journey today!

- Consulting on projects
- Intro to Board
- Promotion

Silver

\$8,500

Need a little more support? Join as a Silver level Corporate Partner! Silver level membership includes the benefits in the bronze package, but includes more in-depth options to engage. We will manage a **Day of Service** for your company and employees. Service Days are customized to a particular impact area. Activities and specifics of service days will vary based on volunteer count, event date, location, project type, etc. Some customizations may require additional fees.

- Managed Day of Service
- Consulting on projects
- Intro to Board
- Promotion

Gold

\$12,000

- Civic Circle Discussion & Workshop
- Heart of Volunteerism
- Communications Support
- Managed Day of Service
- Consulting on projects
- Intro to Board (2)
- Premiere Promotion

Looking for something even more impactful? Gold membership includes the same great benefits as the Silver level above, but dives even further into your company's CSR journey. Gold level members gain access to **communications support** and our **Civic Circle Discussion and Workshop**, providing practical ways for all employees to be civically engaged every day. We also extend an invite to our **Heart of Volunteerism Fundraiser** in April, where members are nominated for **Corporate Partner of the Year**.
